Booking, Cancellation & Guest Policy

Internal reference document — for guest support and AI assistant training use

1. Overview

This document sets out Harborview Stays' policy for booking types and cancellations, minimum stay requirements, the pet policy, early check-in/late check-out arrangements, and escalation rules. Guest support staff (human or AI-assisted) should refer to this document as the single source of truth when responding to guest enquiries.

2. Booking Types & Cancellation Terms

Harborview Stays offers three booking types, each with different cancellation and change terms.

- No refund for cancellations made within 48 hours of check-in.

- Shortening or cancelling a Corporate/Long-Stay booking requires at least 14 days' notice before the change takes effect.
- Requests made with less than 14 days' notice are not automatically approved and must be referred to a manager (see Section 6).

3. Minimum Stay Requirements

- Standard units: 2-night minimum stay.
- Corporate suites: no minimum stay, but subject to the 14-day notice rule in Section 2.3 for any shortening of an existing booking.

- Maximum of 2 pets per unit, each under 15kg.
